natalie\_keinan Had the yummiest dinner thanks to [@mercatsbystro](#) tonight to celebrate Bastille Day! 🇫🇷 We had their special for two that included two pieces of sole in a lemon butter caper sauce 🍋 a fresh vegetable salad and rice pilaf then a piece of red, white and blue cake 😊 Click on my insta-story to see everything we had! Btw this off the shoulder dress comes in 3 COLORS (red, coral and black) and the waist is adjustable (which is awesome for a growing bump and/or food baby) 😊 you can shop it on [thefashionhour.com/liketoknow-it](http://thefashionhour.com/liketoknow-it) ❤️ <http://liketk.it/2s27h> #liketkit @liketoknow.it #LTKbump #mercatsbystro #harwooddistrict #bastilleday
