Best museum: Perot Museum of Nature and Science, The Sixth Floor Museum at Dealey Plaza and Nasher Sculpture Center

Best night spot: Avenu (clubbing), HG Sply Co. or Stirr (Rooftop bar) and Dot's Hop House and Cocktail Courtyard (Outside Courtyard)

Best shopping: NorthPark Center

Best free: Klyde Warren Park and Deep Ellum Arts Festival

Best way to get around: Uber/Lyft or driving yourself

Favorite thing about Dallas: There are countless events going on around the city on a daily basis, which makes everyday a new adventure! Even though Dallas is a huge city, it is easy to get around due to the countless highways there are, with my favorite being the Dallas North Tollway. This road goes straight from Far North Dallas to Downtown Dallas, and makes driving super easy and fast!
